

Elayne LaPorta

Fine Arts

ORIGINALS & LIMITED EDITION PRINTS

Noah and the Landing

Elayne LaPorta (1925-2010) is known for her detailed folk paintings and limited edition prints. Her work derives from a palette filled with colors inspired by dramatic themes from the Bible. LaPorta found her niche translating spiritual scenes into oils and prints. Using a unique American folk concept she called, "Naïveté," she developed an appealing relationship between biblical art and artistic expression.
